Prophetic Insights 2009

Judith Harrington has received prophetic insights for each new year for over three decades and, again, this year God's Spirit has quickened some things to her. Prayerfully read them and anchor in your heart anything that the Spirit of God bears witness to you. This will assist you with your desire to stay on course with God. One thing to personally note: God made it very clear to Judith not to predict events or deliver any time frames. This year's focus **MUST** be on surrounding your life with God's Word to secure the following areas.

Ecclesiastes 10:8 KJ "He that diggeth a pit shall fall into it; and whoso breaketh a hedge, a serpent shall bite him."

Proverbs 24:30-32 KJ "I went by the field of the slothful, and by the vineyard of the man void of understanding; And, lo, it was all grown over with thorns, and nettles had covered the face thereof, and the stone wall thereof was broken down. Then I saw, and considered it well: I looked upon it, and received instruction."

'Secure' means to free something or someone from danger or harm and keep them from being exposed to anything truly dangerous; to be safe, certain, and to be firmly established as well as protected from attack.

- 1. Secure your relationship with Christ:** For the Christian, everything begins and ends with their relationship with Christ. So many believers today are not securing their relationship by opening areas of their lives to attacks of the devil. Stay in church, stay in the Book, and stay committed. Fight the good fight of faith and contend for your relationship with Jesus. Jesus is too good to miss!
- 2. Secure your marriage:** Marriage is a covenant not a contract. Many forces are delivering severe blows to marriages today. Anchor your relationship with your spouse by spending quality time together, refreshing your love for each other, and standing together against the warfare that is being waged against your marriage. Breaking the marriage covenant is one of the main goals of satan. The power of agreement is awesome and necessary for any victory.
- 3. Secure your family:** Hedge in your family by training and raising your children the Bible way. Learn to recognize when the enemy is endeavoring to bring spirits in the house. Spiritual warfare is a daily ministry for keeping your family whole and together. Turn the television off and spend time together. The dividends will be tremendous!

4. **Secure your health:** Believing for healing and living carelessly without regard to your body's true needs is foolish. Believing God for His divine health is only part of what we need to do to maintain our health. Keep the walls of your health strong by doing what you know is right for your health. Years can be lost while we indulge our carnal desires or years can be gained through wisdom and obedience. Keep your hedge intact!
5. **Secure your mental health:** Watch what you are listening to and meditating on. Reject the negative and focus on what is truth. Evil reports are designed to deliver repeated blows of fear. Good reports are found in God's Word and will bring peace of mind every time. Your mind will be your best friend or your worst enemy. The choice is yours! Healthy minds are those that have been completely renewed by God's Word.
6. **Secure your ministry:** Do what you are called to do regardless of what others are saying or doing. Your calling is yours to operate as a source of blessing to others. Don't let anything defer you from it. Stand against hindrances, lies, and slothfulness. Only the faithful are blessed by God and promoted. Fulfill YOUR destiny!
7. **Secure your vision:** Surround your vision with prayer and reevaluate the vision now! Eliminate anything that is not productive and target things as the Spirit leads. Some things will just need new emphases; others will need updating, while still other areas will need to be strengthened. Don't waste time on the old; changes are coming and they will fit into what God has already given you, if you are willing to adjust. New wine must be held in new containers.
8. **Secure your financial life:** Don't spend if it's not absolutely necessary. Watch your funding and resources, keep in faith, stay honorable to tithes and offerings, and work the Bible principles. Watch your confession and give no room to the spirit of poverty. Work a budget, set priorities, and save. These things will keep you in heaven's economy and not under the rulership of this world's system.

Philippians 2:15 KJ *“That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world.”*
