

Hit the Mark

2012

Prophetic Insights

Rev. Judith Harrington has, for a very long time, received insights for each New Year. Prayerfully read these and consider them as you prepare for the year 2012.

1. It's an amazing time to be alive! We will see the time between seed time and harvest change to such a degree that as soon as seeds are planted they will bring forth the harvest. Amos 9:13 *"Behold, the days are coming," declares the Lord, "When the plowman will overtake the reaper."* Keep investing in God's economy!
2. An extraordinary amount of miracles will be seen as we witness the love of God and His mercy move upon people. Healing the sick will be a major expression of evangelism. Be open to be used of God as He produces signs and wonders!
3. A large number of women will be released in accordance with Psalm 68:11 God's Word, *"The Lord gives instructions. The women who announce the good news are a large army."* These humble women will be a powerful force. Many local churches will grow because of the fruit of their ministry!
4. There is coming a shift in the prophetic ministry. More and more prophets will not only declare what God is doing, but will release it as they stand as God's mouth pieces. Believers will tremble as they experience these presentations of Present Truth and embrace them. Keep your ears open to hear what the Spirit is saying!
5. God is moving to release strong leadership who will stand for righteousness and justice. Their voices will influence their communities and important changes will begin to be seen that will allow for a greater reception of the Gospel message. God will keep His Gospel being heard!
6. The Kingdom of God will make great advancements this year due to believers heeding the message of the Kingdom. Believers will aggressively seize territories and expand the Kingdom by doing the works of King Jesus. Exercising spiritual authority will bring powerful manifestations of the values and purposes of the Kingdom. Go where you are led!
7. True believers will spiritually mature at a rapid pace this year and will reveal an authentic expression of Christ in character and in works. They will suffer persecution for their commitment to the Word, but God will grant great grace to use them as testimonies to the value of godliness. They will also be greatly blessed by God. Stay strong!
8. Restoration will continue to come into reality as we witness God's placement of genuine Bible defined governments. God is putting things into order. True apostles with sincere hearts for the greater cause will emerge to the forefront this year. Recognize them!

9. True believers will experience an increasing hunger for the supernatural realm of God. They will grow in a greater understanding of the gifts of the Spirit, they will openly desire the anointing for ministry, and will learn to walk in love. Bible defined discernment will allow for many ministry opportunities that will free those in bondage. Stay hungry and learning!
10. The nature of God will define how He moves. We have entered into a flow of God that is unstoppable. No human power or the powers of darkness can stop God as He moves to fulfill the purposes of His Kingdom. God's work is always continuous. God's seasons build a momentum determined by His desires. We error if we do comparisons to the former revivals or moves of God. This is a fresh season based on His purposes for today. Don't limit Him. Get ready and move with it!
11. The Gospel will be preached in a way that it has not been heard for many years. Preachers will be like *'fire brands'* declaring the uncompromised Word with boldness and conviction. This will convert many churches, aligning them to the true purposes of the Kingdom of God, and mobilize God's army to hit the highways and byways. A great harvest of souls will occur. Get on board!
12. The gifts of the Holy Spirit will continue to flow regularly in many local churches. The gifts will increase in intensity as God's people openly embrace them. The gift of faith, gifts of healing, and the gift of working of miracles will be particularly released. At the same time, other churches will continue to reject them. Love the movement of the Holy Spirit!
13. God has always called us to be conformed to the image of His Son. But this year, godly character and integrity will become a major focus of the pulpit ministry. To fulfill His purposes, believers must be spiritually maturing and lead lives reflective of His character. This will grant us favor with those in need of ministry. Be willing to be conformed!
14. Exposure will come to the prideful. God's resistance over their lives will be clearly witnessed causing many to walk away from God rather than to face embarrassment or shame. Dealing with our pride is a necessary part of spiritual development. Do it!
15. Increasing amounts of persecution will come to God's holy and righteous preachers. False prophets, false preachers, and carnal people will move to silence God's preachers through means of slander, lies, political, and financial pressure. Stand for and honor your true man or woman of God who boldly declares God's Word!

But the plans of the LORD stand firm forever, the purposes of his heart through all generations.

Psalm 33:11 NIV
